**1998
YEAR BOOK**

The Bendigo Amateur Soccer League Inc. wishes to thank their sponsors for assistance given to all levels of soccer in the Bendigo District.

Without sponsors all clubs and their members would not have the equipment or facilities they currently enjoy.

The League asks that all soccer players, administrators and supporters do their best to support those sponsors who support soccer in particular those who advertise in this Year Book.

1998 FOREWORD

As the incoming President for 1998 it would be remiss of me not to thank Rowland Sowerby and Jan McDermid for their untiring work over the past two years. For, if Rowland and Jan had not put up their hands two seasons ago, the League may very well have folded, and then to stage all three Country Championships last season, it was truly a great effort.

This leads me into the issue of the continuance of the League into the future. At the time of writing this foreword, there were four vacancies on the Committee of Management. If the League cannot find people to step forward and fill these roles in the future, then the League may very well be back to the situation it faced two seasons ago when Rowland and Jan stepped forward. I can only strongly recommend that clubs and members of the League give serious consideration to filling these positions now and in the future.

On a much brighter note, it is pleasing to see that the League may well have eight Youth Division teams this season. As the playing strength of the League into the future relies very heavily upon its juniors coming through the ranks into the seniors, this must be regarded as a very positive situation. I therefore commend both Castlemaine and Cohuna for applying to have Youth teams this season. For this situation to continue, I would urge all clubs and members to continue to support any junior development programs into the future, especially the Bendigo Academy of Sport, which has had a large influence on our League within a relatively short period of time.

I would also like to congratulate Lynda Hancox for taking on the demanding role of League Secretary this year and wish her well in her first League position. (What a way to start!)

Finally, I wish all teams the best for season 1998 and trust that everybody will enjoy their soccer, whether they win, lose, or draw.

BILL TREW

A REVIEW OF THE 1997 SEASON

The 1997 Bendigo soccer season saw one of the closest First Division contests in many years, with only six Championship points separating the top five teams.

Eaglehawk took out the Championship Honours, one point clear of the much improved Epsom side, who ended at the bottom of the Division One table in the previous season, with 1996 Champions, Colts United, finishing in third position.

The Eaglehawk Women's team recorded their fifth consecutive Championship and dominated in all the year's team efforts. Colts United took out the Second Division Championship with Golden City's Youth team winning top Honours.

The newly promoted team to Division One, Kyneton, along with Eaglehawk, ended the first half of the season at the head of the table, four points clear of the Colts United and Strathdale sides, but it was the second half of the season that saw the top two sides fight to hold their positions.

Kyneton suffered worst, with four losses and a draw, with Eaglehawk losing two and drawing one of their six encounters. Colts United and Strathdale had a similar run in the second half of the season, Strathdale victors over Eaglehawk in the first half, with Colts United sharing the honours in their second half encounter with the eventual Champions, both sides unable though, to have the consistency of the 1996 season. Colts ended in third position and Strathdale in fourth.

The surprise of the 1996 season was certainly the Epsom club, who, after losing their first two games of the season, ended with the Runners-up Honours, their best record in the First Division.

At the other end of the table, Golden City and Spring Gully surprisingly failed to record a victory in the Championship rounds, although recording nine drawn encounters between them.

The League Cup Honours went to Colts United after a 1-0 victory over Strathdale in the final; with Strathdale winning the Knockout Cup final with a 2-0 victory over Spring Gully. Colts United took out the Indoor Five a side competition after a victory over Kyneton in the final.

In Division Two, the Colts United side went through the Championship season with only one loss, dominating the season and deserving the Championship Honours. Eaglehawk took out the Runners-up trophy and, although beaten by Colts in both their encounters, also dominated over most of the other teams and deserved their final position on the table.

Spring Gully, Golden City, Strathdale and Epsom were finally only separated by three points in mid-table, after a season that saw all sides have their high and low periods. Cohuna and Castlemaine ended the season in the bottom two positions and failed to show any of the improvement that was expected of both teams in the 1997 competition.

Epsom and Strathdale played out for the Knockout Cup, with Epsom taking the Honours with a 3-2 result in extra time. Epsom also won the indoor trophy, after defeating Cohuna in the Five a side Competition.

In the Youth Division, Golden City and Strathdale were only separated by two points at the end of the Championship home and away games, City having an excellent season, scoring 49 goals and only letting 9 goals past. Strathdale took out the Runners-up trophy.

The Colts United team had one of their best seasons in recent years. Although Runners up in two finals, they finished in third position, the 1996 Champions, Epsom, ending in fourth

spot, with Spring Gully and Kyneton struggling for most of the year at the bottom of the table.

In the other Youth encounters, Colts United took out the Knockout Cup with a 2-0 victory over Strathdale, Strathdale defeated Colts United in the League Cup final 2-0 and Golden City won the Five a side trophy after their 3-1 win in the final over Colts.

In the Juniors, Spring Gully had the most success. Their under 12 team won the Championship over Epsom, the under 13 shared the Honours with Kyneton, both sides ending on 30 points and in the under 15, Spring Gully won the Honours one point ahead of Strathdale White.

The Bendigo Amateur Soccer League were Hosts of the annual Victorian Country Championships with seven teams entering the competition. After the round robin games, the favoured Latrobe Valley team headed the table and faced second placed Melbourne Amateurs in the final, while Bendigo ended in third position and faced the North Eastern League in the playoff for third and fourth.

The Bendigo representative side soundly defeated the North East 4-0. The Latrobe Valley, although again going into the weekend as favourites, in the final were well beaten by the much improved Melbourne Amateur League 3-0.

In individual awards Phil Tresize of Strathdale took out the Division 1 Player of the Year James Anderson 3BO Medal with 17 points, ahead of team mate Steve Pennington and Colts United's Alex McDermid both on 11, McDermid winning the John Webb Young Player of the Year award.

The Second Division Best and Fairest award went to Shane Finch of Colts United, on 21 points, ahead of Castlemaine's Peter Richardson and Colts' Mark O'Sullivan both on 17.

Lachlan Taylor of Colts United took out the Youth Division Best and Fairest with 14 points from Kyneton's Nick Monsborough on 12 and McDermid of Colts United and Luke Hercus of Epsom both on 11.

Epsom's Steve Martin headed the First Division's very low goalscoring list, winning the trophy with 9 goals to his credit, two ahead of Colts United's Jamie Brown and Eaglehawk's Steve Daly and Yves Stans on 7.

The Second Division winner, Colts' Shane Finch recorded a creditable 18 goals, although well matched by second placed Ross Hancox with 16.

Anthony Byrne of Golden City netted 13 goals to win the Youth Division Leading Goalscorer award, with team mate Josh Chambers on 11 alongside Alex McDermid of Colts United, also on 11.

A PREVIEW OF 1998

This year's league competition promises to be very open, with a number of teams capable of winning the First Division Championship. Last year we witnessed a very close tussle, with the Epsom boys realising the promise started years ago at youth and junior levels, in becoming runners up to a strong Eaglehawk side. I understand that Epsom have held on to most of last year's side and have also picked up players to strengthen that squad. Eaglehawk and Colts will once again be the teams to beat. Spring Gully and Golden City had a disappointing season last year and will be keen to prove that they can regain their former glory. It is hard to see Strathdale and Kyneton featuring in the honours at the end of the season, unless they recruit well before the start of season '98.

The Second Division is more difficult to predict. Most Second Division teams comprise a blend of older players and up and coming youngsters. Colts have dominated the Second Division in recent years, but some of the '97 team may be considering retirement, which could reduce their strength. A strong youth presence at Epsom, Strathdale, Spring Gully and possibly Eaglehawk, could topple Colts from their position at the top of Division Two 1998.

The Women's Division competition has been dominated in recent years by Eaglehawk. This situation looks likely to continue. It will take a mammoth effort by the other teams to break the Eaglehawk stranglehold on the competition. Teams which could be strong challengers are Spring Gully and Epsom.

In the Youth Division Epsom and Strathdale look likely to battle it out for the top honours. However, Golden City could surprise.

This year's representative squads have already started to train for the Country Championships, new coaches have been appointed and there is real optimism that Bendigo will improve on last year's performance. One performance which will be hard to improve on will be the organisation of the Bendigo Country Championships which won praise from all teams competing from around Victoria.

Well, all that now remains is to wish all teams and officials
GOOD LUCK IN SEASON '98!

POWERADE SUMMER LEAGUE YOUTH SQUAD 1997-98

Bendigo Amateur Soccer League entered a team for the seventh year running into the Powerade Youth League for the 1997-98 season.

The coach of the squad was Vince Aloï. Simon Eleveld assisted in the coaching area, with Mike Hargadon as the manager of the squad.

The members of the squad were: Brad Etherton, Luke Hargadon, Lachlan Taylor, Alex McDermid, Shane Eleveld, Anthony Byrne, Luke Hercus, Jesse Dorrington, Phillip Berry, Matt Burgoine, Troy Miles, Gerard Bakbaves, Nicholas Monsborough, Michael Long, James Quinn, Chris Bell, Mel Ficarra, Jarrod Keetelar, Nathan Baum, Matthew Thompson.

The season took the format of only playing each team once in the North-West Division.

Bendigo's first game was against Carlton, which saw Bendigo go down 4-1. The second game was against Preston and Bendigo again went down 3-1, with Nathan Baum scoring Bendigo's only goal in two games. The third game saw Bendigo win its first game against Geelong 4-1. Bendigo continued on their way to win their next game 3-1 against Albury/Wodonga. The following game saw the Bendigo squad play the Melbourne Knights. This game ended in a 3-3 draw. The squad continued with two more wins and one loss, leaving them in fourth place.

Bendigo had ten goalscorers for the season with Lachlan Taylor on 6, Michael Long 3, Nick Monsborough, Mel Ficarra and Nathan Baum 2 each and Troy Miles, Luke Hercus, Anthony Byrne and Jarrod Keetelar all 1.

The squad can be very proud of this achievement and would like to thank Vince, Simon and Mike for all the time and effort put into the games and the season. Thanks go too, to Julie Sowerby, who ran the canteen as required for the event and our sponsors, Sandhurst Farms, Bendigo Bank, the City of Greater Bendigo and Hertz Australia P/L.

BENDIGO ACADEMY OF SPORT

During 1997, the BASL again hosted a very successful Talent Development Program in the Bendigo Academy of Sport.

Under the leadership of Head Coach Stephen Butler, assisted by Joshua Parisotto and managed by Roland Sowerby, a varied program was conducted for a squad of twenty-four boys and two girls.

The program was again supported by Ron Poyser Motors and McGovern's Furniture as major sponsors. Our sincere appreciation is extended to each of these organisations, as without their support, the cost of the program would have been beyond the reach of many players who participated. Regrettably we farewell Ron Poyser as a major sponsor, but the Academy is actively seeking a suitable replacement.

Our thanks also goes to the Student Association of LaTrobe University for making available the excellent training facilities of LaTrobe.

A significant level of interest was shown by the relatively new Swan Hill Association resulting in 4 players travelling regularly from Swan Hill for training. It was also pleasing to welcome a player from Ballarat into this program.

The program commenced on November 16 1996 with athletes inducted on December 7th, and concluded with a playing camp at the AIS in September. A more varied program and extra competition maintained athlete interest with good attendance at training and personal development seminars.

Again, a dramatic improvement in athlete fitness was evident as a result of the program. On average, body weight increased by 3kg but percentage body fat dropped by 2.2%. Results of the shuttle run, flexibility, leg power, agility, sit-up and star run tests all showed significant improvement. The speed test showed little variation. These results indicate squad members worked hard on their physical program, an aspect noticed by club players and spectators in weekly competition when Academy athletes were fitter and quicker than many of the top players.

As in the first program, the improvement in the skill level of players has been noticed by all segments of the soccer fraternity.

Matches against older age group teams in Swan Hill in April resulted in comprehensive victories.

In the lead-up to the Country Championships, Academy teams played a series of matches against Bendigo representative teams. Every squad member competed in the Country Championships for their respective home towns.

Kristen Watts was selected in the Victorian Under 16 team for the National Championships in July.

VSF junior coaches visited Bendigo to train the Academy squad and returned later in the year as part of their Victorian selection process. A significant awareness of the Academy program by the VSF is now evident.

All squad members attended a level 1 referees' course with 15 reaching the 75% pass mark, as well as a level one coaches' course, which also produced some excellent results.

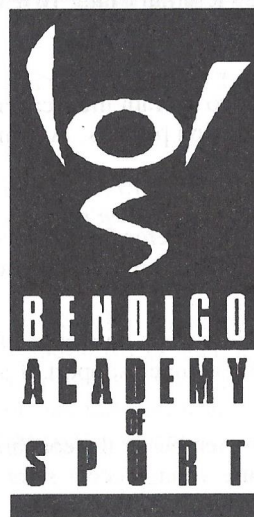

The current Bendigo Youth Squad is ample evidence of the benefits of the Academy program to Bendigo Soccer, and the continued support of all clubs is most welcome.

Thanks must be extended to each member of the coaching panel for their dedication to the development of the region's future young soccer stars, as we look forward to continued success in the new program.

WOMEN'S SOCCER

1997 kicked off with eight teams in the women's division competition. 1997

saw Eaglehawk once again taking out all honours: League Champions, Knock-out Cup Champions and 5-a-side Champions. Their main opposition came from a very determined Golden City team who pushed Eaglehawk to the limit in every match and inflicted Eaglehawk's only defeat for the season. In fact a penalty shoot-out looked a distinct possibility in the Knock-out Cup final against Epsom until a last minute goal was forthcoming for Eaglehawk. Eaglehawk also faced a very determined and a much improved Epsom throughout the season and in the 5-a-side final.

Strathdale continued to improve throughout 1997 but had their share of injuries to contend with. Once again, Strathdale showed itself to be a worthy opponent, accounting for some of the more established teams when all players were available and in top form. Strathdale has youth on its side and the potential to upset the traditional ladder leaders.

Spring Gully will be striving to regain their momentum in 1998. Consistent team building and development of their younger players will be the key to their success in 1998.

Colts United played through some very tough matches throughout 1997, but suffered some inconsistent patches of form. Development of younger players will pay dividends in the long run and 1998 could just be the start of a new era.

Castlemaine struggled to maintain their fine form of 1996. Unable to field a full side on occasion, Castlemaine will need to recruit solidly to offer any resistance even on their home soil.

Kyneton too had difficulties fielding a full team and will need to overcome this problem before they can be rated a serious contender for the championships.

Season 1998 looks set to bring some changes. Eaglehawk faces its most challenging season for some time. Along with Golden City, Strathdale and Epsom are likely contenders for championship honours in 1998.

Another feature of 1998 was the Lightning Premiership held in March in Melbourne. Bendigo finished a very creditable third with a team made up of new speedy younger players mixed with some steady and experienced players. They faced high level opposition, with the deciding goal scored in the final minute of extra time to put them out of the final.

Earlier that day, Bendigo suffered a severe blow when former leading goalscorer Maree Pearce was badly injured in the first match. The practice match between the under 16 Victorian Squad and the Bendigo Representative team which was played at Eaglehawk resulted in a hard-fought 1-1 draw. Kristen Watts (Epsom) went on to represent Victoria once again at the National Championships.

In 1997, Bendigo hosted the Women's Country Championships. Albury-Wodonga took out the championships with Bendigo finishing in third position.

Country Championships 1997

This year the League hosted three highly successful Country Championships and although Bendigo teams came away with only one championship title over all, the squads all won the respect of their opponents.

On the Queen's Birthday weekend, Latrobe Valley, North-East, Western Victoria, Ballarat, Albury Wodonga, the Amateur Soccer Federation and Bendigo competed for the Country Championship. The games were fiercely contested over the three days, with the grounds heavy from steady rain.

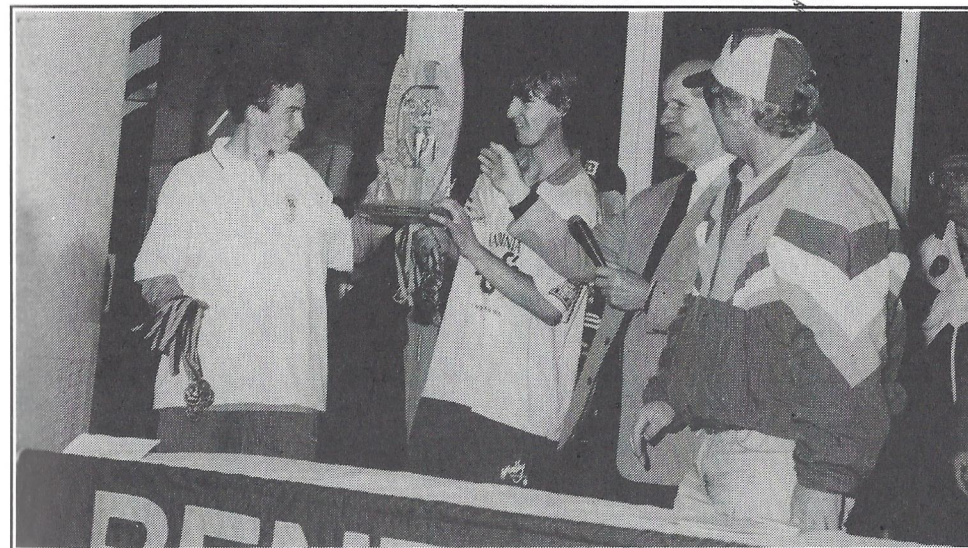

Bendigo's chance of making the final was thrown away when they failed to press home the advantage against Latrobe Valley on Saturday afternoon. Bendigo and North-East League were pitted against each other in the play-off for Third/Fourth place, Bendigo winning 4-0 in a stunning performance. The championship final was a dour affair between the Amateur Soccer Federation and Latrobe Valley, the ASFV winning a tight physical game 3-0.

In July, the League hosted junior teams from Ballarat, Western Victoria, Sunraysia, Swan Hill, Cobram, Albury Wodonga, North-East League and Latrobe Valley. It was a great time of spirited play with, for many players and coaches, the extra thrill of meeting up again with old opponents from previous years' encounters. The Bendigo Under 16s prevented a clean sweep of the championships by Albury Wodonga and Latrobe Valley (who were together Champions or Runners-up in five of the six age groups) by winning the title of equal Champions with Western Victoria in a game which went to extra time without either team being able to score a winning goal.

Late in August teams from Latrobe Valley, Albury Wodonga, Western Victoria, Ballarat and the metropolitan region travelled to Bendigo to contest the Women's Country Championships. The Bendigo women had a very strong squad and they played extremely well in very difficult conditions. Sitting on 10 points after their games and with the strong Albury Wodonga team (on 12 points) to play a somewhat below par Latrobe Valley team (on 9 points) in the last round robin game, the Bendigo women were looking forward to playing in the final. Unfortunately for Bendigo, the Albury Wodonga women played in an inexplicably poor fashion and were beaten 2-0 by a rather bewildered Latrobe Valley team. This win meant Albury Wodonga and Latrobe Valley finished on 12 and 11 points respectively, whilst Bendigo was left sitting on 10.

Bendigo then played off against Metropolitan for third place and won this game 2-0 in a very convincing manner. Albury Wodonga regained their skill and commitment in the championship final, beating Latrobe Valley 7-1.

Soccer Referees Victoria - Bendigo Branch

The referee bodies in Victoria have amalgamated and are now known as *Soccer Referees Victoria*. This can only be of benefit to everyone connected with this great game. Our members have been wearing the new shirts for nearly a year now, but you will still see, for a couple of years at least, the familiar black shirts of old.

Membership of the branch in 1997 (including Shepparton and Swan Hill members) was 25, including nine new members, six of whom were under the age of 18. For the first time we are now making appointments to Under 15 and Under 13 games. Referee coaches Geoff Boyle and Neil McDermid regularly observed these young fellows in action and were able to give encouragement and help where needed. These six young referees took charge of the U12 and U13 Cup Finals and did an excellent job. We now hope these young men have started on a rewarding career in refereeing.

In spite of our new members, however, numbers were still insufficient to cover all games, and we were fortunate to attract experienced referees from Melbourne on a regular basis.

During the year, Geoff Boyle and I completed our Level 1 Inspector's qualification. I was appointed Chairperson of the State Referees' Coaching Panel, a position which has been reaffirmed for this year. And congratulations go to Geoff Boyle, too, for his appointment as Assistant Referee for the 1997 Premier League Grand Final.

The Country Championships hosted by BASL last year were highly successful. They brought together again many of us referees who make the annual pilgrimages to the Championships which are always exciting and a highlight for many of us each season. It was also valuable for some of us local referees to work at the Senior Championships with the young TAP referees from Melbourne who have been identified as having potential and are being groomed to fill the top refereeing positions as they gain in experience.

Geoff Boyle has again done a great job as Branch Secretary, Keith Maybanks has been as efficient as ever as Treasurer and our members who have persevered in the face of all those challenges which make refereeing so "interesting" have done a great job.

For the 1998 season there will be some minor changes to the Laws, notably:

1. the goalkeeper may no longer touch the ball with his hands when he receives it from a team mate from a throw-in;
2. at the kick-off and at free-kicks the ball is in play as soon as it is kicked;
3. a goal may be scored direct from the kick-off and from a goal-kick (imagine it!);
4. the captain winning the toss must choose which goal to attack;
5. at a penalty kick the keeper must still remain on the goal-line but may now move along it to either side.

Finally may I take this opportunity to wish everyone in the Bendigo Amateur Soccer League all the best for a successful season 1998.

Neil McDermid
President, SRV (Bendigo Branch)

Occasional Referees - a Guide to the Laws of the Game

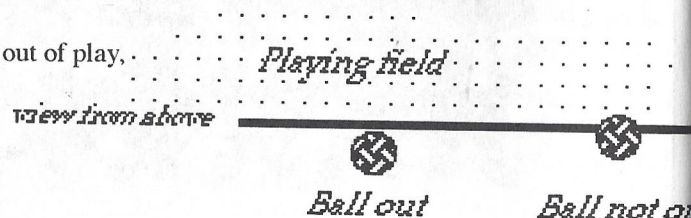

Prepared by Neil McDermid, Chairperson, State Referees' Coaching Panel

The object of the game is to score more goals than your opponent.

A goal is scored when **the whole of the ball** passes over the whole of the goal-line, whether on the ground or in the air, between the goalposts and under the cross-bar.

Similarly, for the ball to go out of play, the whole of the ball must cross the whole of the line.

The Laws of the Game have been devised to guarantee **Fair Play** so that players may enjoy their game in safety. It is the referee's job to see that

- goal-posts, playing surface and players' equipment must be safe
- players **must wear shinguards**
- spectators must not come on to the field during the game. Trainers/first-aiders must wait for you to call them on when the game has stopped.
- if you feel it is not safe to start/continue a game (any reason), you, as referee, have complete authority to abandon it. (And report the matter to the League)

Coaches: The Laws require coaches to stay within about 2 metres of the half-way line. They may coach, but if they become abusive to you or your assistants or to opposition players, you have the authority to send them right away from the touchline.

Free-kicks:

- **Direct Free-kicks** (a goal can be scored direct against the **offending** team) are given if a player **recklessly, carelessly** or **with excessive force** commits any of the following offences **on an opponent**:

strikes/kicks/pushes/holds/trips/jumps at/
tackles from behind/charges dangerously
and against a player who **deliberately** handles the ball.

These Direct Free-kicks are taken from the place where the offence occurred, unless it is by a defender in his own penalty area. In this case a penalty-kick is awarded.

- **Indirect Free-kicks** (which must touch a second player other than the kicker before it goes into goal) are awarded:

[a] against a player who is not playing the ball and impedes the progress of a player who is trying to play the ball (ie *shepherding*)

and for [b] offside.

NB make sure opponents are 9 m from the ball at all free-kicks and at corners.

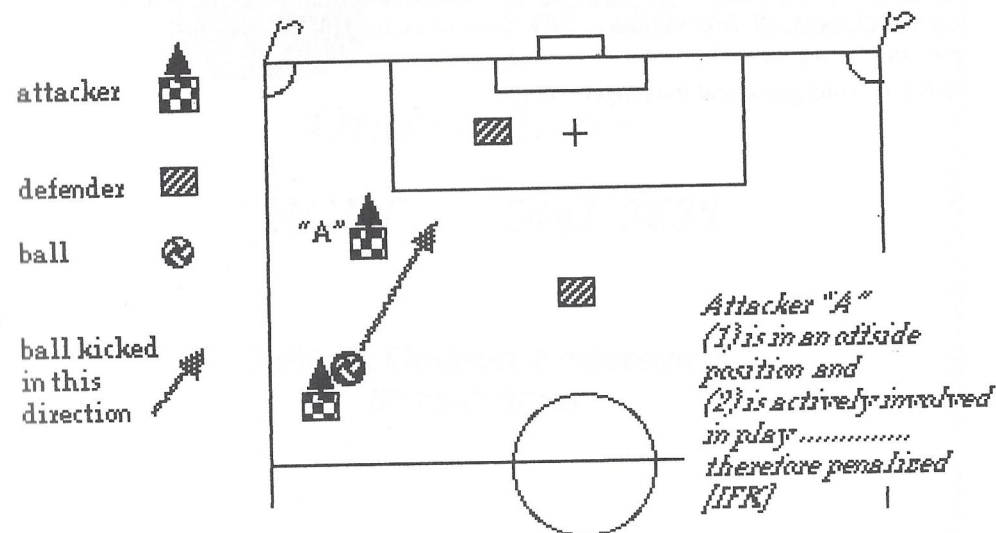

Offside: • A player is in an offside position if s/he is nearer her/his opponents' goal than the ball, unless [a] s/he is in her/his own half of the field of play, or

[b] s/he is not nearer their opponents' goal-line than at least two opponents (these include the goalkeeper).

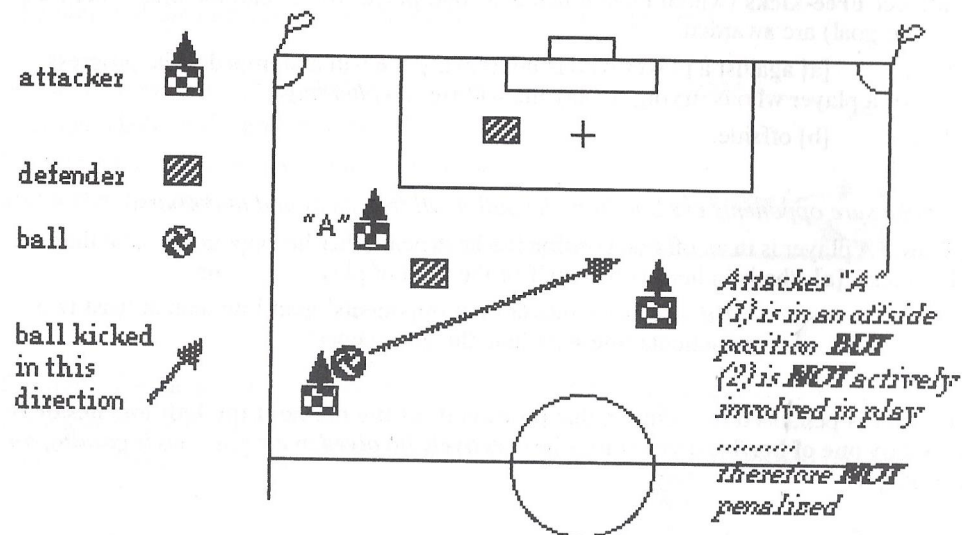

- A player is penalised for being in that position if, **at the moment the ball touches or is played by one of her/his own team**, s/he is **actively involved** in the play and is **gaining an advantage**.

- A player is not penalised just for being in an offside position if s/he receives the ball direct from a goal-kick, corner-kick, throw-in or a drop ball.

Example 1 - player penalised for being in an offside position

Example 2 - player not penalised even though s/he is in an offside position

Some final hints:

- at goal-kicks, the ball is not in play until it leaves the penalty area;
- if a player deliberately kicks *with his foot* (or throws from a throw-in) the ball to his own goal-keeper, the keeper may not use his hands; give IFK where handled.
- do not "over-officiate" - let the game flow without interruption as much as you can. (eg there is no need at all to blow your whistle when the ball has obviously gone out for a goal-kick, corner or throw-in)
- ENJOY your game and the players will too.
